

ZAVIER J. BOUIE

PROJECT ENGINEER

Construction
Team

RESPONSIBILITIES

Detail oriented and results driven Project Manager with background in 5+ years of Construction Management with emphasis in Commercial and Retail. Goal-Oriented and energetic in fast past working environments. Team player in completing tasks while building and establishing relationships. Always tracking labor efficiency along with maintaining a safety perspective. Seeking to acquire a career opportunity to utilize my work ethic in all levels of Construction, Project Management and Manufacturing.
